

SPRING BALL

Programme

Friday 8th April 2022

Foreward

A very warm welcome to the inaugural Gary's Gift Spring Ball.

Gary's Gift was formed with a single goal in mind - To raise as much as we possibly can to support Gary, and Sarah as their battle with Motor Neurone Disease develops.

In July 2021, Gary and his family's world was turned upside down when he was diagnosed with Motor Neurone Disease (MND).

With MND, messages from the motor neurones gradually stop reaching the muscles. This leads the muscles to weaken, stiffen and waste. MND can affect how you walk, talk, eat, drink and breathe. Some people also experience changes to their thinking and behaviour. However, MND affects everyone differently. Not all symptoms will affect everyone, or in the same order. Symptoms also progress at varying speeds, which makes the course of the disease difficult to predict.

MND is life-shortening and there is no cure. Although the disease will progress, symptoms can be managed to help achieve the best possible quality of life.

Gary is loyal, driven, loving and has a huge heart. He is always the first to be there and support you before you even ask. With the support of his employer, Gary continued to work up until November, which helped to keep moral up and keep him laughing and smiling. Although Gary has now lost his ability to talk it's still the same Gary.

The aim of this evening is to raise as much as we possibly can to help Gary to buy much needed equipment, as his needs will dictate, but more importantly to help Gary to create some amazing memories with his family as they embark on the incomprehensibly difficulty time ahead of them.

We also want to raise awareness of just how devastating MND is.

Please join us in making a difference.

Thank you all for your support

1 Makita angle grinder and 1 Neilsen Hammer Drill.

Donated by **Lapwing**

The JCB Golf & Country Club is a tour-ready contemporary masterpiece in course design, set amid the lush green rolling countryside of Staffordshire. Created by internationally renowned Robin Hiseman of European Golf Design, the 7308-yard par 72 course stands shoulder to shoulder with the very best in the world. Its signature 17th hole is situated on a converted island on one of the JCB lakes and is a breathtaking, yet brutal 255 yard par 3.

To claim your prize please email simon.smith@holtjcb.co.uk or call Simon direct on 07502 997365.

LOT 58: 2 Ball round of Golf on the JCB Golf Course*

A round of Golf at the JCB golf course playing a 4 ball round with 2 members of Crestmoor construction (maximum of 2 extra players) and accompanied by Simon Smith of Holt JCB, the JCB golf course is a 7308 yard par 72 course of 18 holes (players must hold a handicap), once the golf round is completed we will look to have a spot of lunch and then visit the JCB history experience, showing you the history and machines throughout the years. This is a great experience of how the JCB Family have started in business and grown over the years. To be arranged for a convenient date for all during the summer of 2022.

Donated by **Holt JCB**

Auction Items

LOT 59: 1 Week stay at Turtles' Nest Villa, Jamaica

This prize is for a week's stay at the villa (food and transport not included). *Please contact the owner within one month of winning in order to book your stay. Every effort will be made to accommodate your requested dates, but they will be subject to current availability. You must book within one year of the winning date. If you would like to organise additional options such as a personal chef please let the owner know, this is charged extra. Please email hello@turtlesnestja.com*

Treasure Beach is an unspoilt, off the beaten track cluster of fishing villages which will delight and charm travellers looking for the authentic Jamaica. On the south coast of the island, where it's sunny all year round with a gentle sea breeze, this area of Jamaica is well known for the friendliness of its locals.

Turtles' Nest is a beach front villa, just steps away from a secluded sandy cove, so the area is perfect for swimming, sunbathing and gentle morning strolls. Private and quiet, the villa has three double bedrooms, a private pool and patio, large sitting room and fully equipped kitchen. Relax by the pool, in the garden, a hammock, on the sundeck overlooking the beach, the patio or the first floor terrace - with spectacular views of the Caribbean Sea on one side and mountains on the other.

This contemporary property has two bedrooms with king beds and one bedroom with two full size beds, all have ensuite bathrooms with large showers. Each room has a substantial walk-in wardrobe. The villa accommodates six people, plus Little Turtles' Cottage in the grounds has room for a further two guests (*charged extra, please inquire on booking.*)

The sitting room and kitchen are open plan, with large comfy sofas and a dining area which looks out on the pool. There is a first floor roof terrace with incredible views of the ocean. There is also a newly built large sundeck which overlooks the beach and is a perfect spot for sunbathing in the day and cocktails or candlelit meals at night.

Highlights – Just steps from the beach • Private salt water pool
Secluded cove for swimming • Sundeck • BBQ
Smart TV with wifi and cable • AC and ceiling fans • Safe
Car parking on site • Night security

Nearest airports: Sangster Airport Montego Bay: approx two hours by road. Norman Manley Airport Kingston: approx two and a half hours by road. Lionel Densham Aerodrome: 10 mins from the villa. Flights take 15 mins from Montego Bay or Kingston.

The Story of Turtles' Nest – Treasure Beach is the second largest sea turtle nesting area in Jamaica. When the villa was built in 2016, the builders made friends with the local dogs. One day one of them gently dropped a baby turtle at their feet and indicated to follow him, there by the beach they found a nest of Hawksbills. The builders helped make sure they made it to the ocean. The following year one of the staff members, Zeb, came into work to find tens of baby turtles swimming around in the pool (luckily it's salt water!) He also made sure they were able to safely walk from the beach into the ocean (so they imprint where they were born).

The nesting season is June to November and the Treasure Beach Turtle Group arranges night tours so you can see them up close! All beachfront properties keep their lights dimmed in this period, so that the turtles head towards the sea and not the road.
